The Republican chairman, J. C. Knowles, admitted that he was surprised by the result of the election here, and frankly admitted that their victory was due more to Democratic aid than their own work, although they worked hard. "In my opinion your people put up a poor campaigm, as I encountered no systematic work any-where except in Richmond, Miliville

Chairman Mathews made the follow-ing statement in writing: "The result of the election in Cache county was not warranted by the canvass of the of very quietly, everybody working for various precincts, as made to me. Our vote, as shown in the canvass, would have given the Democratic party our old-time majority if our voters had stood by their political convictions. The vote cast was L500 under the registration, and the apathy in the party made it impossible to get these out, 75 per cent of whom were Democratic and I do not hesitate to say that the election two years from now will confirm this statement."

The Republicans hold a big jollification meeting this evening. A lunch will be served in headquarters and a general good time will be had.

Brigham City, Nov. 8.—Much enthusham has been shown throughout this county in the election just closed by the voters of both parties. About 99 percent of the registered voters in nearly all of the largest precincts went to the brids and cast their ballots. Sixteen out of the 12 precincts of this county have reported. The six remaining precincity set to be heard from at the last election gave a Democratic majority of it votes, and whatever differences they may show this year will not materially affect the result of the county as at present known, both as to state, legislative and county candidates.

# TWO SEATS IN DOUBT

Some Changes Made In the Legislative Estimate.

D. S. COOK WINS IN RICH

DEMOCRAT HAS A MAJORITY OF TWO.

Legislature Will Consist of 41 Democrats, 15 Republicans and Five Fusionists, With Two Counties Still Doubtful-A Close Contest In Millard, With Republicans Anota

Legislative estimates were slightly changed by the returns received yesterday, leaving the political division as follows: Democrats, 41; Republicans, 15; fusionists, 5; still leaving two seats in the doubtful column. One of these is Millard, in which Callister, the Republican, is four votes ahead, with two precincts to hear from. These two precints in 1895 cast 36 votes, and gave King a majority of ten, and thus it is possible that they will wipe out Callister's small majority, and elect Joshua Greenwood. The other doubtful county is Wayne, incomplete returns from which place the Republican candidate in the lead. This county gave King a majority of 168, and the returns are not yet sufficient to indicate that this Democratic majority has been wiped out. It is barely possible, but not probable, that the Deep Creek returns will overturn the majority of 29 given for Richards, Republican, by the balance of Tooele county, but this is not probable.

No candidate in the state had so close a call as D. S. Cook, Democrat, of Garden City, Rich county. The first returns clearly foreshadowed his defeat, but reports received last night state that he is elected by a majority of two. A remarkable feature of his narrow escape is the fact that four Democratic ballots were cast with grosses opposite the name of McKinnon, ed forward to with considerable anticihis opponent, Cook's name not being erased. These ballots, of course, are void, and Mr. Cook will serve his sec-ond term. pation is the first presentation in this city tonight of the new comedy success entitled "The Old Coat," which was written by W. Returns from Mono precinct, Junb county, show a Democratic majority of 50. This increases C. V. Wheeler's lead over Hatfield to 249, with Detroit and Fish Springs to hear from. There is no doubt whatever about Wheeler's election.

Dotson, in Beaver county, was defeated by Murdock, the Republican candidate, by four votes, but the county was carried by Tanner, Democratic candidate for senator, by a majority of 188.

There will be two women in the next legislature. Senator Mattle Hughes Cannon and Representative Alice M. Horne of Sait Lake, both Democrats. The following additional legislative returns were received yesterday: BOX ELDER COUNTY.

The author is said to have made a distinct departure from the average atmosphere of farce or comedy with which theatregoers have been surfeited during lateyears. He tells a story that keeps an audience in a constant good humor and provides enough laughter in one night to recommend itself as a good cure for the blues. It is needless to say with so able an organization engaged in its interpretation that the play is well presented.
